

CAT Coaching Centres in Nagpur

A reference list of institutes, addresses, contact numbers and fee information

Note on accuracy: Most institutes do not publish exact fee figures online and revise pricing every admission cycle, so several entries below say “contact centre directly.” Phone numbers, addresses and fees should be verified with the institute before enrolling, as branches occasionally relocate.

Tips for choosing a CAT coaching centre in Nagpur:

- Compare classroom vs. online/hybrid formats — classroom fees in Nagpur typically range roughly Rs. 30,000–65,000, while online programs tend to be more affordable (roughly Rs. 10,000–40,000).
- Ask about batch size, number of full-length mocks included, and whether recorded sessions/notes are provided.
- Check faculty experience and recent student results (percentile outcomes) directly with the centre.

- Visit in person if possible to assess infrastructure (computer lab, library) and compare against your commute.
 - Get the final fee structure and refund/installment policy in writing before paying.
-

Verify all details directly with each institute before making a decision.
