

Gautam Buddha University  
B.E. / B.Tech Seats

| Course Name                                                                                           | Seats |
|-------------------------------------------------------------------------------------------------------|-------|
| B.Tech. in Robotics and Artificial Intelligence                                                       | 60    |
| B.Tech. in Mechanical Engineering With Minor Automobile and Industrial Engineering                    | 60    |
| B.Tech. in Mechanical Engineering                                                                     | 60    |
| B.Tech. in Electronics and Communication Engineering                                                  | 60    |
| B.Tech in Electronics and Communication Engineering with Artificial Intelligence and Machine Learning | 20    |
| B.Tech in Electrical Engineering with Artificial Intelligence and Machine Learning                    | 15    |
| B.Tech in Electrical Engineering and Computer Engineering                                             | 20    |
| B.Tech. in Mechanical Engineering with minor (Mechatronics and Automation)                            | 60    |
| B.Tech. in Mechanical Engineering (Working Professional Only)                                         | 20    |
| B.Tech. in Electrical Engineering                                                                     | 60    |
| B.Tech. in Artificial Intelligence                                                                    | 120   |
| B.Tech. in Civil Engineering                                                                          | 60    |
| B.Tech. in Computer Science and Engineering                                                           | 240   |
| B.Tech. in Electronics and Communication Engineering (VLSI Design and Embedded Systems)               | 20    |
| B.Tech. in Information Technology (DS and ML)                                                         | 60    |
| B.Tech. in Civil Engineering ( Working Professional Only)                                             | 20    |
| B.Tech in Electrical Engineering (Electric Vehicles)                                                  | 15    |
| B.Tech. in Food Processing and Technology                                                             | 60    |
| B.Tech. in Information Technology                                                                     | 60    |
| B.Tech. in Computer Science and Engineering (Cyber Security)                                          | 60    |
| B.Tech. in Computer Science and Engineering (Data Science)                                            | 60    |
| B.Tech in Electrical and Electronics Engineering                                                      | 30    |
