IIT Hyderabad Admission

IIT Hyderabad offers UG, PG, professional, and doctoral programmes in the field of Engineering, Design, Sciences, and Liberal Arts. Candidates must fulfil the eligibility set by the exam conducting body before applying for admission. The institute offers BTech as it's flagship programme. Other courses offered are BDes, MTech, MA, PhD, etc. Admissions to IIT Hyderabad are primarily entrance-based. BTech applicants must clear JEE Main and JEE Advanced, followed by JoSAA counselling. BDes requires UCEED, MTech requires GATE, MSc requires IIT JAM and MDes requires CEED scores. Selection to PG and PhD programmes may also involve departmental screening and interviews.

How to get admission in IIT Hyderabad?

IIT Hyderabad has a multi-step admission process which students need to follow to get into the institute. The process includes appearing for the relevant entrance exam, application process, counselling and subsequent admission. The JEE Advanced official website has launched with the new eligibility criteria. A step-by-step admission process of IIT Hyderabad is as mentioned below:

IIT Hyderabad Application Process 2027

The IIT Hyderabad application process 2027 is conducted in online mode. The application form must be filled with all the relevant personal and educational details along with the application fee payment. Some of the popular courses along with the respective application procedure, are explained below:

- For BTech course admission, aspirants need to complete the application form for JEE (Main) through the official website of the National Testing Agency (NTA) (nta.ac.in). The application fee for boys is INR 1,000 for male Gen/OBC candidates and INR 800 for female candidates for a single paper. SC/ST/PwD/Transgender candidates pay INR 500. Students must fill JEE Advanced application form, once JEE Main results are declared.
- MTech candidates are required to register for GATE through the official website of the GATE. Read more about GATE application process. The application fee for boys is INR 1000 for Female/SC/ST/PwD candidates and INR 2000 for all other candidates per paper. During extended registration period, fees increase to INR 1500 and 2500 respectively.
- For MSc, candidates need to complete the IIT JAM Application Form.

Selection Process

Check below selection process for IIT Hyderabad courses:

BTech: For its flagship BTech programme, IITH admissions are conducted through JEE Advanced and Joint Seat Allocation Authority (JoSAA) counselling. Students must first appear for JEE Main exams before proceeding to JEE Advanced.

MTech and MSc admissions are based on GATE and IIT JAM scores, respectively. Students can register for the required entrance exams during IIT Hyderabad course admissions online through the respective exam portal.

Admission Confirmation

After the selection rounds are completed, they need to go through the course-wise counselling process for final seat allocation. For a PhD, merit lists are released on the official website (with the names of the shortlisted students). Applicants who are shortlisted can submit the admission charges and confirm their admission to the relevant course at IIT Hyderabad.

IIT Hyderabad Seat Reservation Criteria

The IIT Hyderabad BTech seat reservations follow the rules of the state government for seat reservations. The government-specified reservation policy is followed during the selection and admission process for the courses. Reserved seats include 15% for SC candidates, 7.5% for ST, 10% for EWS, and 27% for OBC.
Note: Candidates are advised to apply with the relevant category certificate from the competent authority.

IIT Hyderabad BTech Admission

IIT Hyderabad offers a full time BE/BTech programme. The duration of this course is four year and it is divided into eight semesters. BTech at IIT Hyderabad is available in many different specialisations such as BTech in Mechanical Engineering, Artificial Intelligence, Biotechnology and Bioinformatics, Computer Science and Engineering, Chemical Engineering, etc. To be admitted to IIT Hyderabad course admissions eligible candidates must have a valid score in the JEE Main exam. Check below eligibility and selection criteria for IIT Hyderabad:

Course Name	Eligibility	Selection Criteria
BTech	Class 12 in Physics, Chemistry and Mathematics with a minimum of 75% aggregate	JEE Main + JEE Advanced + JoSAA Counselling

Students should clear the cutoff of JEE Advance, followed by counselling to get admission at IIT Hyderabad. Candidates can appear a maximum of six times for the JEE Mains entrance examination in three consecutive years after completing their Class 12 board exams.
The total tuition fee for BTech at IIT Hyderabad is INR 8 lakh.

IIT Hyderabad Cut off for BTech course

IIT Hyderabad B.E. / B.Tech cutoff 2026 ranged between 680 and 9123. The most sought-after specialisation for admission was B.Tech. in Computer Science and Engineering with the lowest JEE Advanced cutoff rank.
The easy-to-get specialisation was B.Tech. in Biotechnology and Bioinformatics, and B.Tech. in Civil Engineering with lenient JEE Advanced cutoff ranks of 9123 and 8928, respectively, in the General AI category.
For the students belonging to the OBC category under the AI quota, the JEE Advanced last round closing ranks were between 299 and 3839.

JEE Advanced Last Round Closing Rank (General-All India)

Course	2026
B.Tech. in Computer Science and Engineering	680
B.Tech. in Electrical Engineering	1714
B.Tech. in Mechanical Engineering	4767
B.Tech. in Chemical Engineering	5988
B.Tech. in Civil Engineering	8928
B.Tech. in Engineering Science	2602
B.Tech. in Engineering Physics	4208
B.Tech. in Materials Science and Metallurgical Engineering	7582
B.Tech. in Mathematics and Computing	927
B.Tech. in Artificial Intelligence	917
B.Tech. in Biomedical Engineering	8475
B.Tech. in Computational Engineering (Interdisciplinary)	1938
B.Tech. in Industrial Chemistry	8762
B.Tech. in Biotechnology and Bioinformatics	9123
B.Tech. in Electrical Engineering (IC Design and Technology)	1896
